

BEST DOCTORS® THE REINVENTION OF RIGHT™

When you're faced with a health concern, you'll want to find the best advice and treatment possible. Don't face medical uncertainty alone.

Best Doctors® is the most comprehensive medical knowledge resource of its kind in the world. And it's just a telephone call away.

Your EquiLiving® critical illness insurance policy provides access to Best Doctors – the best medical expertise and treatment in the world.

WHAT IT IS

Best Doctors connects you, your spouse and immediate family members, along with your treating physician with world renowned specialists. This allows you to take control of your health care by accessing the medical knowledge you need to make the best treatment choices. This service is available to EquiLiving policyholders, providing protection when it's critical, and information when it matters most.

HOW IT WORKS

As soon as your EquiLiving critical illness insurance policy goes into effect, you can call Best Doctors. You'll be connected to a Member Advocate, a Registered Nurse who will be dedicated to your case, providing ongoing one-on-one support and guidance. You can call as often as you want. Assistance is not limited to the conditions covered under your EquiLiving policy.

WHAT SERVICES IT PROVIDES

Best Doctors provides:

- **InterConsultationSM**: In-depth review of your medical records by world-class specialists to confirm the correct diagnosis and provide treatment recommendations so you and your doctor can make informed treatment decisions together.
- **FindBestDocSM**: If you don't have one, Best Doctors will tap into their network of leading Canadian physicians to find you a specialist best qualified to meet your medical needs and geographic preferences.¹
- **FindBestCareSM**: When an expert specialist located outside of Canada is required, Best Doctors will search their global database of 53,000+ specialists for the ones best suited to your needs.
- **Best Doctors 360[®]**: Best Doctors can provide medical information and resources, one-on-one support and customized health coaching for a wide range of health concerns, from simple to serious. Support is not limited to the conditions covered under your EquiLiving critical illness insurance policy.
